HOUSE VOTES TO KEEP VP DUTERTE ITR FILES SEALED

The motion to lay on the table the opening of the box—pending legal review—was approved as the panel opted to study the law before proceeding.

The Bureau of Internal Revenue (BIR), led by Commissioner Charlito Martin Mendoza, complied with the subpoena and submitted the documents in aid of legislation. Mendoza stressed that the contents are covered under Section 270 of the National Internal Revenue Code (NIRC), which prohibits the unlawful disclosure of confidential taxpayer information.

However, he added that such information may be disclosed under certain conditions, including in executive session or when required in aid of legislation.

According to several lawmakers, while Section 270 restricts disclosure, it may not apply in impeachment proceedings or when authorized by Congress.

The sealed box containing the Vice President's ITR records remains under House custody, with its opening deferred pending legal clarification.

The image is a composite of two photographs. The top photograph shows a press conference setting. In the foreground, a wooden table holds two nameplates: one for 'Hon. SARA Z. DUTERTE Vice President' and another for 'LA M. DE LIMA Deputy Minority Leader'. A man in a white shirt and glasses is seated behind the table, looking towards the camera. A microphone and a small electronic device are also on the table. The background shows other people and equipment. The bottom photograph shows a courtroom scene. Several men in black legal robes with white collars are seated at a long table. They are looking towards the camera. In the background, there are computer monitors and a logo of the House of Representatives. A large 'PHILIPPINE STAR' watermark is overlaid on the bottom right of the image.

Tahasang sinagot ni House Committee on Justice chairperson at Batangas 2nd District Rep. Gerville Luistro si SAGIP Partylist Rep. Paolo Marcoleta matapos kuwestiyunin ng huli ang mga ulat mula sa Anti-Money Laundering Council (AMLC) tungkol sa mga diumano’y “suspicious transactions” ni Vice President Sara Duterte.

“It is just a manifestation. If I require an answer, then I'm allowing you already to raise a clarificatory question. As simple as that,” saad ni Luistro ngayong Miyerkules, Abril 22.

Ano-ano ang nakita nating kaduda-dudang detalye sa Statement of Assets, Liabilities and Net Worth ni VP Sara?

Bukod sa napansin natin sa SALN na paglaki ng yaman sa maikling panahon lang, at sa kahina-hinalang bilyon-bilyong pisong transaksyon sa bank accounts ni VP Sara at ng kanyang asawa na nireport ng Anti-Money Laundering Council (AMLC), lalo pang tumibay ang basehan ng impeachment laban sa kanya.

Donald Trump reacts to the Virginia Redistricting Referendum passing:

"A RIGGED ELECTION TOOK PLACE LAST NIGHT IN THE GREAT COMMONWEALTH OF VIRGINIA!"

Donald J. Trump  
@realDonaldTrump

A RIGGED ELECTION TOOK PLACE LAST NIGHT IN THE GREAT COMMONWEALTH OF VIRGINIA! All day long Republicans were winning, the Spirit was unbelievable, until the very end when, of course, there was a massive "Mail In Ballot Drop!" Where have I heard that before — And the Democrats eked out another Crooked Victory! Six to five goes to ten to one, and yet the Presidential Election in November was very close to a 50-50 split. In addition to everything else, the language on the Referendum was purposefully unintelligible and deceptive. As everyone knows, I am an extraordinarily brilliant person, and even I had no idea what the hell they were talking about in the Referendum, and neither do they! Let's see if the Courts will fix this travesty of "Justice."

President DONALD J. TRUMP

Kung ibabase po natin sa report na ito, 'yung 2.871 billion na maaaring naiwan sa kanila [o] maaaring wala na d'yan ay ano po, mas malaki pa sa 2.5 billion na budget po ng DOTR para po sa ating fuel subsidy.

Tapos balik po tayo doon sa usapin ng SALN, sa 2024 SALN po ang nakalagay na net worth nila ay 88 million lamang eh bilyonaryo pala sila.

'ANG SABI NAMAN NG BAKLA NG AKBAYAN, EDI SILA NA!'

Akbayan Representative Perci Cendaña voiced out his frustration regarding the financial statements of Vice President Sara Duterte and her husband, Atty. Manases Carpio, during the House of Representatives Committee on Justice impeachment hearing on Wednesday.

"Kung ibabase po natin sa report na ito 'yung 2.871 billion na maaaring naiwan sa kanila [o] maaaring wala na d'yan ay ano po, mas malaki pa sa 2.5 billion na budget po ng DOTR para po sa ating fuel subsidy," he noted.

Cendaña added that this figure still does not include the 791 million undetermined transaction of the couple.

"Sa 2024 SALN po ang nakalagay na net worth nila ay 88 million lamang eh bilyonaryo pala sila. Sabi nga po nung isang wise man from the third district of Manila kanina, 'edi wow.' Ang sabi naman ng bakla na Akbayan 'edi sila na,'" he

HIWALAY ANG KASO NG CO-PERPETRATORS

Iginiit ni International Criminal Court (ICC) Assistant to Counsel Atty. Kristina Conti na hiwalay ang kaso ng co-perpetrators ni dating pangulong Rodrigo Duterte sakaling isyuhan sila ng warrant of arrest at mahuli.

Kung sakali, maaari din daw nilang iapela ang hurisdiksyon sa mga posible nilang haraping kaso.

"Pero siyempre limitado na. They can, but they may not be successful," saad ni Atty. Conti sa panayam sa "Gud Morning Kapatid" ngayong Huwebes, April 23.

Nauna nang pinangalanan ng ICC bilang co-perpetrators ni Duterte sina Sen. Bato dela Rosa, Sen. Bong Go, dating justice secretary Vitaliano Aguirre, Dante Gierran, Isidro Lapeña, at ilang dating hepe ng Philippine National Police (PNP).

LENI ROBREDO, GIN-ENGANYO ANG PUBLIKO NGA UNTATAN NA ANG 'SAVIOR POLITICS' KAG GINHINGADLAN ANG POTENSYAL NGA MGA LIDER

Isa ka adlaw matapos niya ginsirado ang pwertahan sa posibilidad nga pagbalik niya sa national politics, gin-enganyo ni former Vice President kag karon Naga City Mayor Leni Robredo ang publiko nga untatan na ang "savior" mentality.

Ginpunto ni Robredo nga ang pagpangita sang isa lang ka "savior" ukon manluluwas ang nagabalabag sa pagsanyog sang institusyon. Suno sa iya, nga dapat untatan na sang pungsod ang pagsalig sa isa ka personalidad kag maglantaw man sa bag-o nga henerasyon sang mga lider.

Sa isa ka interview, gintumod ni Robredo sanday Senators Risa Hontiveros, Kiko Pangilinan, Bam Aquino, Pasig Mayor Vico Sotto kag Quezon City Mayor Joy Belmonte bilang kapable nga mga lider kag ginapalayo ang pokus sa iya.

"Sa grupo namin, si Risa, ilang beses na nagsabi na okay siya. Si Bam saka si Kiko, puwede naman, although nagsabi na sila na ayaw nila. Sa tingin ko, si Vico would make a good president; ang isyu

"Sa grupo namin, si Risa, ilang beses na nagsabi na okay siya. Si Bam saka si Kiko, puwede naman, although nagsabi na sila na ayaw nila. Sa tingin ko, si Vico would make a good president; ang isyu lang talaga ay edad. Ang isa pang nakikita ko na mayor na would make a good president si Joy Belmonte. Maraming puwede," ang kabahin sang pahayag ni Robredo.

Ginpasalig ni Robredo sa iya mga supporters nga bisan nga ang pokus niya yara sa Naga, aktibo man sia nga magakampanya para sa ila standard-bearer sa pag-abot sang masunod nga national elections.

Sa pagpamalandong niya sa iya kaugalingon nga inagihan sa politika, ginpakigbahin ni Robredo nga luyag niya sang hands-on nga local governance imbes nga ang komplikado nga national politics.

"Marami akong hindi alam, pero masipag ako. Puwede sa local, pero sa national, marami talaga akong hindi kayang gawin. Mahina talaga akong makipag-navigate sa politika. Kaya sa tingin ko, mas bagay ako sa local," ang pahayag ni Robredo.

Gin-athag man niya nga wala sia makabatyag sang ano man nga pressure sa politika subong nga alkalde sia sang Naga.

2026-04-23 11:07:44

"Wala na akong pressure. Iba kasi ngayon, iba

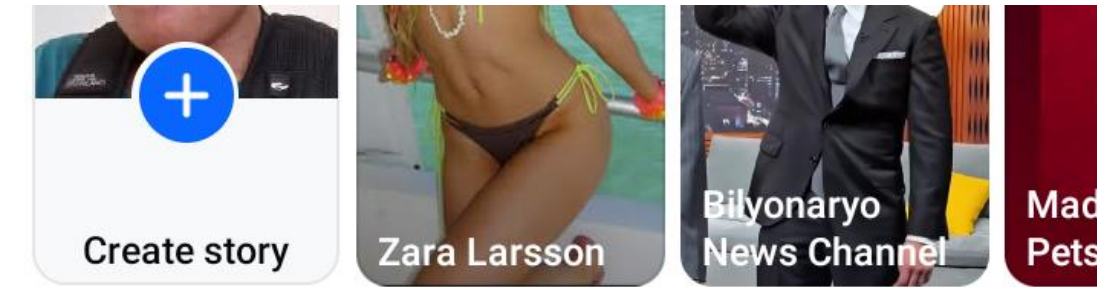

"Wala na akong pressure. Iba kasi ngayon, iba noong 2022. Iba ang pressure dahil VP ako. So ngayon, makikita naman sa mga ginagawa, bihira akong pumunta sa Manila. Lahat ng invitation sa akin, hindi ko na tinatanggap kung walang koneksyon sa Naga," ang kabahin sang pahayag ni Robredo.

Suno pa sa iya, nga madugay na sia nga nagdesisyon apang may mga tawo lang nga indi luyag sang desisyon niya apang sigurado na sia nga sa Naga sia maga-retire.

Sa exclusive interview sang RMN Naga, una nga gin-anunsyo ni Robredo nga indi na sia magpadalagan liwat sa pagka-presidente sa 2028 elections bangud madamo pa sia sang luyag obrahon sa Naga City kag nagapati sia nga kulang ang isa ka termino sa pagka-alkalde para obrahon ini. Bangud sini, magapadalagan sia para sa iya ikaduha nga termino bilang Naga City Mayor.

'IT HAS VIOLATED ITS OWN ROME STATUTE'

Iginiit ng isa sa mga abogado ni ex-pres. Rodrigo Dut... more

PAHAYAG NI ATTY. SALVADOR PANELO SA PAGBASURA NG ICC SA 4 GROUNDS NG PETISYON NG DUTERTE CAMP

As expected the ICC ruled that it has jurisdiction over the case against PRRD.

It has violated its own Rome Statute that created the ICC ignoring the principle of complementarity stating that it can only assume jurisdiction over a member-state that does not have the capacity to prosecute those who commit crimes against humanity, and if it has the capacity, does not prosecute the offenders.

The Philippines has a functioning and robust legal system system.

Moreover, the Philippines has already withdrawn as member of the ICC and therefore the latter has already lost its jurisdiction over our country.

Its continued assumption of jurisdiction is violative of international law and an assault on the sovereignty and territorial integrity of our country.

The ruling obviously is to justify its questionable existence.

A photograph of a religious scene. In the center is a statue of the Virgin Mary, standing within a rustic stone archway. She is dressed in a white robe with gold trim and a gold crown, with her hands clasped in prayer. The archway is decorated with yellow flowers. To the left of the statue stands a young boy in a blue beanie and brown vest, holding a pink rose. To the right stands a young girl in a white blouse and brown skirt, also holding a pink rose. The base of the statue is surrounded by a large, vibrant bouquet of red, pink, and yellow roses. The background shows green foliage and a clear blue sky.

Sammy Uy, A Collateral Damage In The Dirty Game Of Politics!

I had really wanted to stay away from the raging political controversies because I believe it would just distract my focus on my agricultural advocacies.

Yesterday, however, I was shocked to hear the name of an old friend unjustly vilified and destroyed before the whole nation simply because of his friendship with former President Rodrigo Duterte.

Now, I have to go public to defend this man whom I consider a dear friend.

Davao City businessman Sammy Uy was tagged in yesterday's Impeachment hearing as a "Bigtime Drug Lord" who reportedly deposited large sums of money into the bank accounts of members of the Duterte Family, proceeds from drug deals.

Now, I have to make it clear that I could not make any comment on the alleged financial transactions between Sammy and the Dutertes because I have no knowledge if it really ever happened.

2026-04-23 14:50:48

I will just focus on Sammy Uy, a friend I had

I will just focus on Sammy Uy, a friend I had known for so many years who came to my defense when groups of Malacanang insiders wanted to ease me out as Agriculture Secretary by whispering to the President that I was involved in corruption.

It was Sammy who told FPRRD: "Dili na tinuod. Dili man gani na mudawat ug regalo si Manny." (That's not true. Manny doesn't even accept gifts.)

(Sammy's statement was proven true when the Presidential Anti-Corruption Commission cleared me of any wrongdoing after a 7-month lifestyle check.)

Now, it is my turn to come to his defense because I know the man.

Yes, Sammy is an old friend of Rody Duterte long before the latter joined politics. Just like Duterte, he does not smoke or drink.

He belongs to an old Filipino-Chinese family which owns one of the oldest Appliance Stores in Davao City, DIMDI, and the pioneering Davao Farms involved in poultry and hogs.

Sammy was the low-key friend who stood beside Rody Duterte and was instrumental in arranging the visit of the late Japanese Prime Minister

2026-04-23 14:50:54

Shinzo Abe to PRRD's home in Dona Luisa

Subdivision when he was President.

Sammy was the low-key friend who stood beside Rody Duterte and was instrumental in arranging the visit of the late Japanese Prime Minister Shinzo Abe to PRRD's home in Dona Luisa Subdivision when he was President.

One of Sammy's Japanese friends happened to be a member of the close-in staff of Prime Minister Abe.

Accusing Sammy of involvement in drugs just to destroy the Duterte Family is simply stretching the political black propaganda beyond what is believable.

Davao City old-timers will attest to the fact that while Sammy was like a brother to Rody Duterte, he did not abuse or take advantage of their friendship when the latter became President.

I would assume Sammy benefited from business dealings because of his closeness to the President but the alleged involvement in drugs is unbelievable.

Being a former politician myself, I fully understand the political game but destroying the reputation of innocent people just to pursue an agenda is abominable and evil.

Politics is a dirty game pero sobra na ito.

Castro kay VP Sara: 'Kung 'yan po ang nais niya na magbakasyon at mag-world tour, ibigay ang hilig'

Vice President Sara Duterte denied on Thursday the accusations regarding her unexplained wealth, including a claim by former senator Antonio Trillanes IV that she had received millions of payout from an alleged drug lord.

During the House committee hearing on Wednesday, the Anti-Money Laundering Council (AMLC) also stated in its report that there were P6.77 billion in transactions linked to bank accounts of Duterte and her husband, lawyer Manases Carpio.

"Malinis ang aking service record; hindi ako kailanman nagkaroon ng kaso sa paggamit ng pondo ng bayan. Lahat ng aking ari-arian at pera ay idineklara ko sa aking SALN. Ang bawat sentimo ay mula sa lehitimong pinanggalingan at may kaukulang dokumento," she said in a statement.

Duterte also criticized Trillanes, saying he was backed by the administration of President Ferdinand Marcos Jr. Trillanes was among the resource persons at the House hearing who submitted his affidavit showing documents that may prove allegations against Duterte.

"For nearly a decade, Mr. Antonio Trillanes IV has been peddling the same incredible story about alleged billions in bank accounts. From 2016 to

Sass Rogando Sasot

Try nyo kaya na sabihin sa visa application ninyo na ang wealth ninyo ay the total amount of bank transactions? yung tipong 1K lang talaga pera mo pero for 90 days, do a cycle of deposit-withdraw., thus 2K per day bank transactions. Then open ka pa isa pang bank. Ganun din, paikot-ikutin mo lang yung 1K

Voila! In 90 days

account 1 = 180,000 total bank transactions
account 2 = 180,000 total bank transactions

So kapag nag apply na ng visa pwede mo nang sabihing ang wealth mo ay 360,000, as per the mathematics of the Diehard Duterte Haters. Ma-approve kaya visa mo?

SCHOLAR KA BA TALAGA, O PROFESSIONAL STRAW MAN BUILDER LANG NA MAHILIG SA GRADE 4 MATH?

Sass, hindi mo sinagot ang issue—pinalitan mo lang ito ng mas mababaw na bersyon para kunyaring may nabasag ka: walang nagsabing transactions automatically equal wealth; ang totoong tanong ay kung bakit may bilyon-bilyong covered at suspicious transactions na na-flag, at bakit may napakalaking puwang sa pagitan ng mga numerong iyan at ng public disclosures. Ang sagot mo roon ay visa analogy at paikot-ikot na ₱1,000 na parang Grade 4 word problem, kaya hindi iyan defense kundi diversion at gaya ng maling tanong sinabi kay Anne Curtis: "Tarantada!"

WASHINGTON/DUBAI — United States President Donald Trump said he would indefinitely extend the ceasefire with Iran to allow for further peace talks, although it was not clear on Wednesday if Iran or Israel, the US ally in the two-month war, would agree.

Trump said in a statement on social media the US had agreed to a request by Pakistani mediators "to hold our Attack on the Country of Iran until such time as their leaders and representatives can come up with a unified proposal... and discussions are concluded, one way or the other."

Pakistan's leaders have hosted peace talks in Islamabad to end a war that has killed thousands of people and shaken the global economy.

But even as he announced what appeared to be a unilateral ceasefire extension, Trump

You expired, O Jesus, but the source of life gushed forth for souls and an ocean of mercy opened up for the whole world.

O Fountain of Life, unfathomable Divine Mercy, cover the whole world and empty yourself out upon us.

O Blood and Water which gushed forth from the heart of Jesus as a Fountain of Mercy for us, I trust in You.

Holy God, Holy Mighty One, Holy Immortal One, have mercy on us and the whole world.

In a press conference in Makati on Thursday, Vice President Sara Duterte's defense team members Atty. Michael Poa, Atty. Ralph Bodota, Atty. Sheila Sison, and Atty. Carlo Joaquin Narvasa denied allegations of Duterte's unexplained wealth and addressed issues raised during the House Justice Committee hearing.

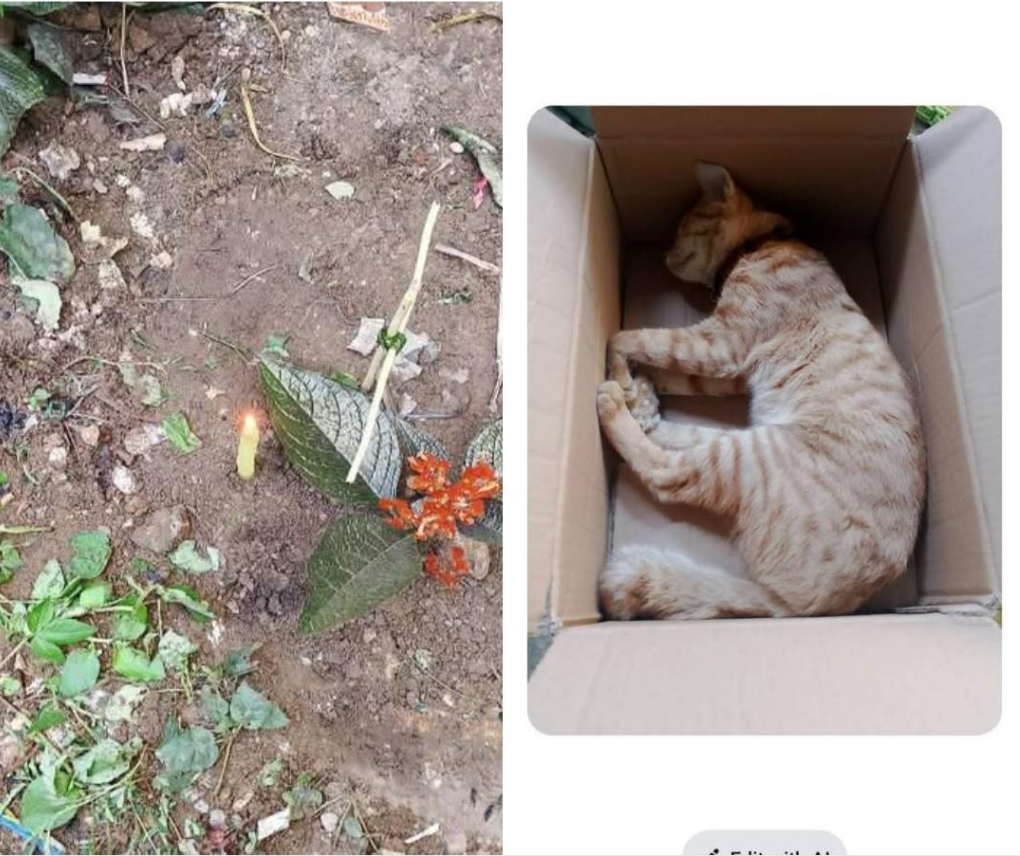

Poa argued that flagged transactions in an AMLC report do "not equate to any wrongdoing or unlawful activity" of the Vice President.

The camp also criticized President Ferdinand Marcos Jr., former senator Antonio Trillanes IV, the House of Representatives, the Commission on Audit (COA), and the Anti-Money Laundering Council (AMLC), highlighting the flood control scandal. (Photos by Ryan Baldemor/The Philippine STAR)

"Japanese Mayor Willing to Host Duterte, Claims ICC Judges Were Paid to Reject Appeal"

Following the April 22, 2026 rejection of all four Duterte appeal grounds, the ICC has shown once again how outrageous, biased, and unfair this process truly is. I have a strong feeling that the judges were being paid to baselessly reject all four of Duterte's appeals.

My *Iniquitous friend Rodrigo Duterte* continues to suffer in detention, and his condition grows more worrying by the day. I am therefore offering the *City of Itomori* as the venue for his interim release and will use all my power to appeal to the Japanese Government through *GVG-127 Justice And Virtue (JAV)*.

The ICC has trampled on *NETORARE TREATY RIGHTS (NTR)*, ignored *RULE34*, and denied his *GOONING* rights. This is not justice — it is persecution.

A full-length statue of the Virgin Mary, likely the Immaculate Conception, stands in a lush garden. She is dressed in a white robe with a wide blue sash draped over her left shoulder. Her hands are clasped in prayer at her chest, and she holds a long, beaded rosary in her right hand. The statue is surrounded by vibrant flowers, including large bouquets of red, yellow, and pink roses in the foreground and colorful bougainvillea in the background. The setting appears to be a courtyard or garden in front of a white building with arched windows and a tiled roof.

A RIGGED ELECTION TOOK PLACE LAST NIGHT IN THE GREAT COMMONWEALTH OF VIRGINIA! All day long Republicans were winning, the Spirit was unbelievable, until the very end when, of course, there was a massive "Mail In Ballot Drop!" Where have I heard that before — And the Democrats eked out another Crooked Victory! Six to five goes to ten to one, and yet the Presidential Election in November was very close to a 50-50 split. In addition to everything else, the language on the Referendum was purposefully unintelligible and deceptive. As everyone knows, I am an extraordinarily brilliant person, and even I had no idea what the hell they were talking about in the Referendum, and neither do they! Let's see if the Courts will fix this travesty of "Justice." President DONALD J. TRUMP

@TimHannan

Why do elections only get stolen when Dumbfuck J Trump is in office? We were fine for 240 years and then this whiny bitch shows up and everything is rigged? Get the fuck out of here.

Today, he is backed by a sitting President who must be compelled to submit to a simple drug test; "law-bender" members of the House of Representatives that have received "maletas" and have repeatedly disregarded constitutional limits; a Commission on Audit that appears to time its issuances in a manner that conveniently aligns with political attacks; and newly-installed AMLC officials who remain silent and refuse to clarify that there have been no findings of violations of anti-money laundering laws, and the billions of peso in bank accounts are untrue.

Simple lang ang sagot ko sa lahat ng paninira. Malinis ang aking service record; hindi ako kailanman nagkaroon ng kaso sa paggamit ng pondo ng bayan. Lahat ng aking ari-arian at pera ay idineklara ko sa aking SALN. Ang bawat sentimo ay mula sa lehitimong pinanggalingan at may kaukulang dokumento.

Official Statement by Julie Defensor

I am issuing this statement to categorically and forcefully deny the baseless, malicious allegations directed at me, my daughter, and our associated businesses.

Let me be absolutely clear regarding the recent NBI operation: **we have absolutely no connection to the targeted establishment or its operations.** Any attempt to link our family to the abhorrent acts allegedly committed there is a deliberate, dangerous, and desperate lie.

The motive behind this orchestrated smear campaign is painfully obvious. This is a fabricated pretext designed to artificially manufacture a case, with the chilling goal of filing unwarranted, unbailable charges against me and my daughter.

This is part of a relentless pattern of harassment, and the collateral damage is devastating. Because of these political attacks, approximately 1,000 hardworking employees across various companies have abruptly lost their jobs- simply due to a perceived association with my husband, Mike. These are 1,000 families stripped of their livelihoods in the middle of a crisis. It is unconscionable that innocent workers are being sacrificed as pawns in someone else's political vendetta.

I address Atty. Matibag directly: if you have a political or personal grievance with Mike, have the courage to resolve it with him directly. Stop using me, our daughter, and hundreds of innocent, displaced workers as collateral damage in a dispute that has nothing to do with us.

As a mother, my priority will always be the protection of my family. We will not be bullied, silenced, or intimidated by these cowardly tactics. We will exercise the full extent of the law to

In the latest political snapshot from March 2026, the race for the Philippine presidency is beginning to take a very specific, high-stakes shape. If you look at the raw numbers from the recent OCTA Research survey, Vice President Sara Duterte currently holds the top spot with 33%, while former Vice President Leni Robredo follows at 21%.

At first glance, a 12-point gap looks like a comfortable cushion for the frontrunner. But when you peel back the statistical layers, the movement of numbers tells a much more competitive story.

The most striking takeaway isn't where the two leaders are standing, but the direction they are moving. Sara Duterte's 33% actually represents a five-point slide from late last year. In data terms, this suggests she might be hitting a "ceiling" where her core base is solid, but she's struggling to capture new segments of the electorate.

On the flip side, Mayor Leni Robredo has seen a massive 13-point surge since the last quarter of 2025. For a candidate who hasn't even hit the national campaign trail yet, and has for several instances already said she is not interested to

2026-04-24 18:49:52

On the flip side, Mayor Leni Robredo has seen a massive 13-point surge since the last quarter of 2025. For a candidate who hasn't even hit the national campaign trail yet, and has for several instances already said she is not interested to run for President, that kind of momentum is statistically "loud."

It signals that a significant portion of the "undecided" or "other" voters are starting to consolidate around her as the primary alternative.

So, what does this mean for Leni's chances two years out? Statistically, she is in the striking distance sweet spot. She has enough support to be taken seriously as a titan of the race, but she isn't the one currently wearing the target that comes with being the undisputed leader.

Her path to victory lies in the "fragmented middle" or the roughly 34% of the pie currently split between other personalities like Isko Moreno, Raffy Tulfo, and Bam Aquino.

If the field narrows and she becomes the consensus candidate for those looking for a change in direction, that 21% could very quickly

2026-04-24 18:49:56

If the field narrows and she becomes the consensus candidate for those looking for a change in direction, that 21% could very quickly balloon into a winning plurality.

So really, in spite of how adamant Mayor Leni is about no longer seeking a national position, the impetus for her to run is becoming harder to ignore as her numbers climb.

Because beyond just the data, there is a clear "latent demand" for her brand of leadership. While she is currently focused on her local mandate, the national pressure to step up will likely stem from this very survey. She is the only person on the list showing double-digit growth.

For the opposition, the data makes a compelling argument that she is the only viable heavyweight capable of challenging the Duterte name.

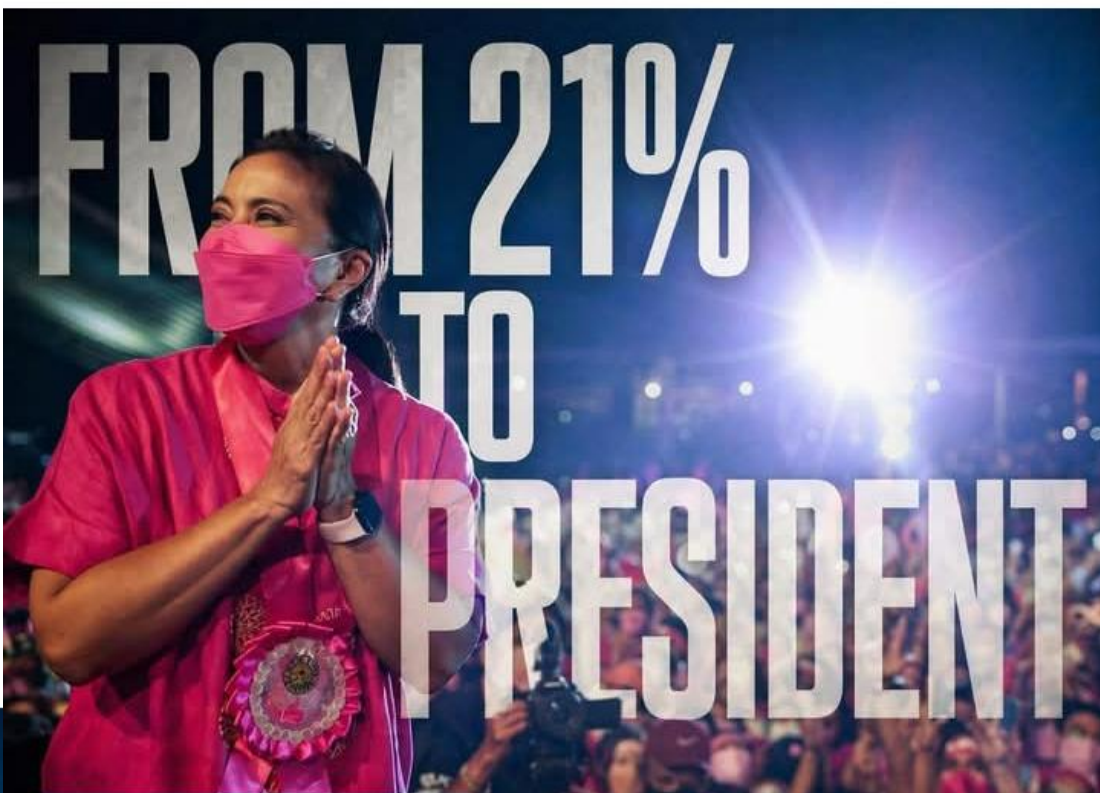

With two years to go, the race is far from a settled deal. It's a battle between a frontrunner trying to stop a leak and a reluctant challenger who is just starting to find out that history might just be calling on her to fulfill her destiny.

Pls, avoid this type of mindset

Imagine believing an artificially-made photo or video, just because it affirms your so-called "beliefs".

Now, imagine seeing that from your parents, especially the elder ones. Hard sight, right?

Everyone's worried about AI misinformation, but most people still rely on "it looks real" as their verification method. That worked in 2012. It's useless now.

If AI can generate contents that most socmed users DO INDEED consume, then we need technical habits, not instincts alone.

!! THIS IS WHY IRRESPONSIBLE AND UNETHICAL USE OF AI MUST BE CRITICIZED

No responsibility means misinformation, or even disinformation, can easily be passed around without anyone being held accountable.

This isn't just about politics. Such dilemma can even impact your safety.

1 Verify the Source, Not just the Content

Check for the identity of the OP (the one who posted the content), verify his/her credibility, and check for other sources that would match it (or would show the lack of it.).

If it only exists on one random page, it's already suspicious.

Also, real events leave digital footprints. Check news sites, official pages, and multiple independent sources; if it's real, it will appear in more than one place.

2 Don't Share Immediately

Also, real events leave digital footprint. Check news sites, official pages, and multiple independent sources; if it's real, it will appear in more than one place.

2 Don't Share Immediately

The fastest way misinformation spreads is people reacting before thinking.

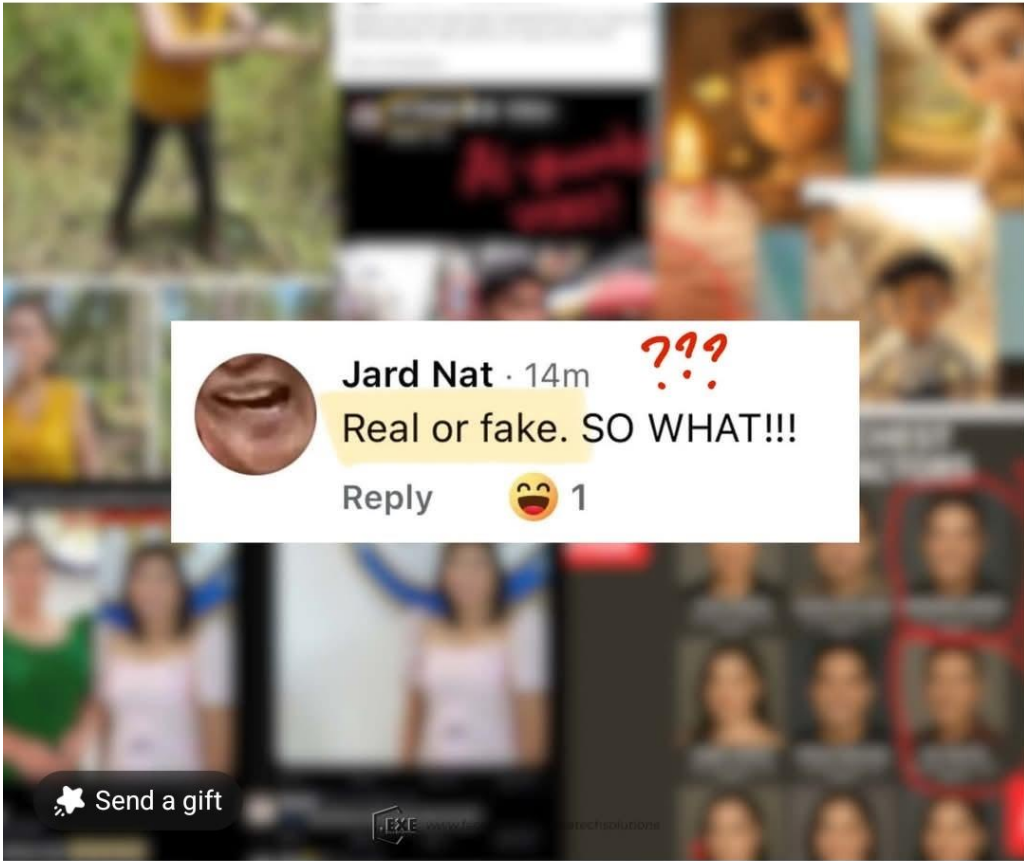

Pause, verify, then decide.

Never share anything just because it confirms your biases, as you'll also take part on this mechanism.

📌 Fighting AI misinformation isn't about being smarter; it's a shared responsibility of being more disciplined with the contents we consume.

Remember, AI is simply a tool. It didn't make misinformation more powerful; it made it easier to produce.

What determines whether it spreads is still you.

If the public is angry at corrupt officials and “congractors” for allegedly using government for private gain, then a harder question has to be asked. What makes a political family different if similar allegations now point to an entire network, not just individuals?

During the impeachment hearing, former Senator Antonio Trillanes did not frame his claims as isolated acts. He alleged a broader pattern involving Sara Duterte, undisclosed wealth, alleged non declaration in SALNs, and most explosively, claims that members of the Duterte family, including Rodrigo, Pulong, Baste, Honeylet, and Kitty Duterte, allegedly received hundreds of millions from Sammy Uy, whom he identified as a drug figure. If proven, these are not minor accusations. These go to the heart of corruption, public trust, and abuse of power.

These allegations need to be answered, and faced in front of the Filipino people.

'ANG KAPAL NG MUKHA'

Binatikos ni Batangas Rep. Leandro Leviste sa isang press briefing nitong Biyernes (Abril 24) sina Batangas Gov. Vilma Santos-Recto at ang asawa nitong si Executive Secretary Ralph Recto dahil sa aniya'y "maling sistema ng pamimigay ng ayuda" sa lugar.

Paratang ni Leviste, may 84 na barangay umano ang hindi naimbitahan sa bigayan ng ayuda dahil nagtatampo umano sa kanila si Gov. Recto.

Giit pa ng kongresista, "hindi naman sarili nilang pera" ang mga nasabing ayuda para hindi mag-imbita ng iba pang mga barangay sa Batangas.

ON RODRIGO DUTERTE'S ALLEGED 'CRIMINAL RESPONSIBILITY'

[A]vailable evidentiary material shows the existence of a common plan between Mr Duterte and his Co-Perpetrators to kill alleged criminals in the Philippines, including those perceived or alleged to be associated with drug use, sale or production, through violent crimes including murder.

The evidence demonstrates that Mr Duterte established and oversaw the DDS from its creation in the late 1980s until the end of June 2016, with the aim of killing criminals.

The evidence shows that Mr Duterte provided personnel and logistical resources to further the commission of the crimes.

[T]he Chamber finds that there are substantial grounds to believe that Mr Duterte is criminally responsible for the crimes charged in Counts 1-3 as an indirect co-perpetrator, and/or for ordering and/or inducing, and/or for aiding and abetting the commission of the crimes.
